

In 2004, over 10,000 voters in Mercer, Beaver, and Greene counties LOST THEIR VOICE in our American Democracy.

Will YOU be silenced this November?

Please join us in the State Capitol Building on June 16
for a special screening of the documentary film

Uncounted, by Emmy award winning director David Earnhardt is an explosive new documentary exposing the spine-chilling disregard for voter's rights in America. With fifty-one of Pennsylvania's sixty-seven counties using paperless electronic voting machines our state is at particular risk in 2008. This controversial 80 minute film examines in factual, logical and yet startling terms how easy it is to change election outcomes and undermine election integrity across the U.S. Beyond increasing public awareness about how votes are counted in America, Uncounted inspires greater citizen involvement in fixing a broken electoral system.

There will be a Q&A session after the movie, featuring Westmoreland County Inspector of Elections Marybeth Kuznik who appears in the film. (Sponsored by the Common Cause Education Fund, VotePA, and the Pennsylvania League of Women Voters.)
